

## August Activity

### Bible Verse: Psalms 118: 1-9

Theme: Truth You Can Count On

### Materials:

- Cardstock – Colors: Red, orange, yellow, green, blue, white
- Scissors
- Black Marker
- Glue
- \*Optional – Googly eyes

### Activity:

**Step 1:** Cut small strips of all the colors (about ½ inches wide)

**Step 2:** Cut the white piece of paper to look like any shape cloud.

**Step 3:** Glue on or draw eyes and a mouth on cloud.

**Step 4:** Stack the strips of paper so that you can glue the strips to the bottom of the cloud.

**Step 5:** Hang your rainbow cloud where you can see it every day.

### Lesson:

After the great flood, God made a promise to us to never flood the earth again. He reminds us of this promise again and again every time it rains, by putting a rainbow in the sky. Psalms 119 tells us about God's love for us, and how he is with us all day in all situations. How lucky are we that we can turn to him for anything that we may need? Place your cloud rainbow where you can see it, and use it as a reminder of God's presence in your life.
