

August Activity

Bible Verse: Psalms 118: 1-4

Theme: Truth Given by God

Materials:

- Foam Sheets
- Glue
- Clothes Pins
- Googly Eyes
- Scissors
- Pen or Pencil

Activity:

Step 1: Take your sheets of foam and fold them in half, and draw a number 3, making sure the top part is larger than the bottom part.

Step 2: Glue 2 googly eyes on the end of the clothespin (opening side)

Step 3: Making sure that the sheet of foam is still folded in half, cut out the wings.

Step 4: Glue the wings below the eyes.

Step 5: Cut out a body and glue the body on top of the wings.

Step 6: Feel free to decorate the butterfly with a different color or adding fun shapes.

Lesson:

Did you know that butterflies only live for a few weeks? Can you imagine wanting to see everything and only having a few weeks to see and do it all? Unlike humans, no 2 butterflies are exactly alike. That is because God took the time to make each of us unique and beautiful. His promises and protection are for us all, and the best part is there isn't anything we need to do to gain his love. The Bible gives us many gifts and is full of truths. The greatest gift is God's love, which is forever. If you want, share a bit of God's love by making a few extra butterflies and giving them to friends and family.
