Lesson:

Abraham and Sarah prayer for a son for years. When Sarah was 90 years old, can you believe it? No matter how much time passed they had faith that God would give them a son. And He did. When Isaac was little, God told Abraham to go up to the mountain to pray and offer Him a sacrifice, but they didn't take an animal with them. Abraham climbed that mountain knowing that God would provide an animal. But God intended him to sacrifice his son. Once there, God saw that Abraham was loyal and had faith in Him and provided an animal to sacrifice instead of having him sacrifice his son. Abraham knew that God made a promise to always protect and never breaks a promise. Because his truth and promises are forever.
