

## Apply Craft Tutorial – Walk as God Commands, August 15, 2020 (Faith Sandal)

Greetings, Friends! We continue making sandals which we are building upon to create footprints which represent walking with God. Here's the third sandal for August 15.

- August 1: Walking in Truth (completed)
- August 8: Walking in Faithfulness
- August 15: Walk as God Commands**
- August 22: Keep Walking
- August 29: Walking in Integrity

**Materials:** Fun cardstock, foam, or cardboard, scissors, hole punch, scotch tape, markers, chenille stems (pipe cleaners), your favorite shoe or just your bare feet.

**Instructions:** Trace your own shoeprint or bare foot onto the fun cardstock paper or cardboard. Make three-hole punches in the areas recommended. Feed the chenille stem (pipe cleaner) through the holes to make the sandal strap. Tape down the stems so they won't fall out. Feel free to make two sandals if you desire. Hang your sandal on your wall, refrigerator, or place somewhere in your room where you will be reminded to walk with God. Write ways that you can follow God's commands for your life on the sandal you are creating today.

### Teaching with the Craft:

God's has given us the best instructions for living good lives that are pleasing to Him and reflect our worthiness of being called His sons and daughters. Living a life worthy, means following God's instructions for our lives. These instructions, also called commands, are the ways God wants us to live our lives, loving Him and one another. It's easy to lose our way and get distracted when we neglect His commands or choose not to follow them. With the help of the Holy Spirit, we can choose to follow God's commands for living good lives that please Him. We can encourage one another to follow God's commands with gentleness and love. Paul urged the believers to follow God's instructions by being joyful, prayerful, thankful, patient with one another, working hard, and staying away from anything evil. Walking with God by obeying His commands really shows how we love Him by loving one another.

Have fun!

**Truth!**

**Follow God's Commands**

**Integrity**

**Faithfulness**

**Endurance**
